Legal XML Organizing Committee

March 31, 2000
American Bar Association Techshow 2000
• Welcome
• Introductions
• Introduction to Potential Organization Models
• Group Discussion
• Determine Steps Forward
• Close
Meeting Objectives

- Determine or gain community consensus or ways to achieve it
- Determine a clear vision of a path forward (set deadlines)
- Determine funding opportunities
- Determine a favored organizational model
- Discuss administration and management
- Discuss and recognize the need for improved policy and procedure, even if the group does not determine policy and procedure at the meeting. Determine steps forward in formulating better policy and procedure.
